Client notes

Cicero famously orated against his political opponent Lucius Serg (Samson Sudhakar P)
Occasionally the first Oration against Catiline is taken
for type specimens: Quo usque tandem abutere, Catilina,
patientia nostra? Quam diu etiam furor iste tuus nos
eludet? (How long, O Catiline, will you abuse our
patience? And for how long will that madness of yours mock us?

Admin notes

Asking the client to pay no attention Lorem Ipsum isn't hard as it doesn't make sense in the first place, that will limit any initial interest soon enough. Try telling a client to ignore draft copy however, and you're up to something you can't win. Whenever draft copy comes up in a meeting confused questions about it ensue.

Terms & Conditions

If any provision of these Terms and Conditions is held to be invalid or unenforceable, the provision shall be removed (or interpreted, if possible, in a manner as to be enforceable), and the remaining provisions shall be enforced. Headings are for reference purposes only and in no way define, limit, construe or describe the scope or extent of such section. Our failure to act with respect to a breach by you or others does not waive our right to act with respect to subsequent or similar breaches. These Terms and Conditions set forth the entire understanding and agreement between us with respect to the subject matter contained herein and supersede any other agreement, proposals and communications, written or oral, between our representatives and you with respect to the subject matter hereof, including any terms and conditions on any of customer's documents or purchase orders.
