**Client notes**

(Samson Sudhakar P)

Cicero famously orated against his political opponent Lucius Sergius Business Owner  
Occasionally the first Oration against Catiline is taken  
for type specimens: Quo usque tandem abutere, Catilina,  
patientia nostra? Quam diu etiam furor iste tuus nos eludet? (How long, O Catiline, will  
you abuse our patience? And for how long will that madness of yours mock us?

**Admin notes**

Asking the client to pay no attention Lorem Ipsum isn't hard as it doesn't make sense in  
the first place, that will limit any initial interest soon enough. Try telling a client  
to ignore draft copy however, and you're up to something you can't win. Whenever draft  
copy comes up in a meeting confused questions about it ensue.

**Terms & Conditions**

If any provision of these Terms and Conditions is held to be invalid or unenforceable,  
the provision shall be removed (or interpreted, if possible, in a manner as to be  
enforceable), and the remaining provisions shall be enforced. Headings are for reference  
purposes only and in no way define, limit, construe or describe the scope or extent of  
such section. Our failure to act with respect to a breach by you or others does not waive

Conditions set forth the entire understanding and agreement between us with respect to  
the subject matter contained herein and supersede any other agreement, proposals and  
communications, written or oral, between our representatives and you with respect to the  
subject matter hereof, including any terms and conditions on any of customer's documents  
or purchase orders.
